Transforming Nigeria's Nigerian Agriculture and Agro-Allied industry.

Led by IITA, BOA and other influential agricultural bodies, experts will utilize the ALP Seminar as a platform to consider-(i) What has changed in Nigeria's agriculture outlook? (ii) the challenges and opportunities in the agriculture value chain (iii) the issue of allocating land for agriculture and the defects of the land use Act
What has changed ?

The ALP Seminar series was established in 2012 as ALP's CSR initiative. It is designed as an interactive forum to tackle commercial legal and pragmatic issues affecting the development of legal business and commercial enterprise.

Over the years ALP Seminars has since become a well- attended fixture in the corporate diary serving to galvanize thought-leadership, information-sharing and creation of healthy business networks.

Our committee of advisers include: Mr. Mofe Boyo, Oando; Mr. Kayode Akinkugbe FBN Quest; Mr. Ajibola Olomola KPMG; Mr. John Delano ALP; Mr. Oluyele Delano SAN
